INVENTION DISCLOSURE FOR PATENT APPLICATION

Title of Invention:

Short Summary of the Invention:

Inventor(s) Name(s) and Address(es).

Inventor's Full Name

Work Phone No.

E-mail Address

Home Address

Citizenship

_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

Describe the Problem to be Solved by the Invention

Describe the Closest Prior Technology

Describe the Advantages of the New Solution Over the Prior Technology

Detailed Description of Novel Functions and Features of the Invention. Please attach drawings of the invention (e.g., block diagrams, flowcharts) and any other written descriptions. Sign and date all attachments.

Identify Dates of Initial Sale or Public Use. Give Details.

I believe myself to be an inventor of the above-described invention. (Each inventor must sign.)
